

The AMGCRA's members treated themselves to an entertaining fast-paced mystery *Sherlock Holmes and the American Problem* at the Barter Theatre, the renowned and historic State Theatre of Virginia, on Saturday evening.

The audience was surprised and delighted by the introduction of the American MGC Register by Richard Rose, Producing Artistic Director, with his recognition prior to the play of its celebration of the MGC's 50th birthday in Abingdon.

He introduced The Honorable Becky Lowe, Mayor of Abingdon, Virginia. Abingdon is the sister city to Abingdon-on-Thames, England. She greeted our members with a welcome and proclamation in our honor.

Proclamation

WHEREAS, the Town of Abingdon welcomes the American MGC Register Association, banding together for the purpose of gaining information, exchanging ideas and the mutual enjoyment of the MG, to celebrate the 50th Anniversary in the Sister-City, Abingdon, Virginia, September 29th - October 2nd, 2017.
NOW, THEREFORE, I, Cathy Lowe, Mayor of the Town of Abingdon . . . do hereby proclaim

We are indebted to many people in and around Abingdon, who made our visit so very enjoyable and entertaining.

We thank the kind people at the Martha Washington Inn who parked our MGCs while we enjoyed the play.
