Hello All,

Included with this month's news letter, is an update to last month's event supplement. Additions are marked by a vertical line in the left hand margin. I will issue an "opinion sheet" so that you can indicate which events you are interested in, and which have no appeal. If you could return these to me by the drinks evening, it would help in determining the events for the remainder of the year. Please note these are in addition to our normal sea-side run, BBQ and Sunday pub runs. Thanks in advance for your participation.

Last Month's Events

A poor turn out for the Pub meeting last month - I had difficulty in finding the right pub and John was the only other member who arrived.

11 of us tried the charity pub quiz at the Cross Keys on 26th. We formed 2 teams, tehMGBs and the MG Sports. In spite of having larger teams than anyone else, we still couldn't win. But it was a fun evening and raised several hundred pounds to ship Prosthetic limbs to Africa.

Little interest was shown in any other event. Arundel Castle was a possibility, but the week-end weather wrote that off.

Can we do better this month? How about some ideas for Easter week-end to get me out of all this DIY I 've got planned.
