<mailto:ldmgoc@talk21.com>

Hello All,  
Thanks everyone who has returned the Holiday Questionnaire. There's some good suggestions we can discuss this evening. I have a new regalia catalogue from Dianne Brown, for anyone interested. She now has a ladies range of clothing. The Christmas Meal menu is still not available, but is expected to cost £25 per head

#### LAST MONTH'S ROUND-UP

July was a month of non-MG events, starting with "Classics on the Common" on a very wet Wednesday. The rain caused a slower than usual start to the event, but the skies cleared around 7:00 and a goodly number of cars and bikes eventually arrived, though fewer than last year.

Twelve of us went to the pub night at "The Plough" in Woodside, in spite of yours truly giving directions to the other pub in the village: "The Harrow" (I knew it was something to do with agriculture!) .It was good to see Paul there too.

The other event of the month was the Sporting Bears at Kimbolten Castle. There was a large and varied number of cars to admire, including some 60 Panthers. A central arena hosted displays of falconry, Sheep dog trials, Spanish Equestrian and other events. The Castle housed a

craft fair and with a variety of sales stalls there was something for everyone.
