Hello All,

Our Christmas "Do" is now booked for Saturday 17<sup>th</sup> December at "The Farm" in Totternhoe. Further details will be announced nearer to the date.

Here at last - the club holiday to Harrogate starts next Saturday so all arrangements must be finalised this evening

## Last Month's Events

Last month started with the Bletchley Park Classic Car and Motorcycle event. This included a tour of the wartime decoding facility, and was enjoyed by all who went.

No-one attended the Sporting Bears at Kimbolton Castle this year.

The pub night was quite successful, considering that I did my utmost to send everyone to the wrong location. However I think we got everyone together eventually. My sincere apologies if missed anyone out.

The Classics on the Common suffered from bad weather this year. However there were still a good number of exhibitors and a large number of spectators, but definitely less than in previous years.
