Hello All,

~~If you hadn't already noticed, January's club meeting is on New Years Day, so try not to overdo the New Years Eve celebrations too much!~~ **Next meeting postponed to Tuesday 8th**

Full payment of £20 per person to be paid on the night.

#### CLUB HOLIDAY - 2002

If you want to attend this event and have not yet booked, I would strongly recommend that you do so ASAP as spaces are filling fast. The event is limited to 40 cars and at least 20 were already booked in the middle of November. All the details were provided with November's newsletter, so contact the MG Travel Club on the number shown. If you want to modify your travel arrangements, e.g. take a different ferry crossing or travel on different days, the Travel Club can give you prices and availability on many other alternatives.

#### FACTORY TOUR

After the disappointment of having to cancel the TVR trip, we decided at the November meeting to try and arrange a visit to the Morgan factory in Malvern sometime in the new year.

I will make the necessary enquiries in due course.
