Hello All,

Christmas and the New Year are behind us now, so it's time to look forward to 2005. I hope you all had a good festive season.

Are you ready to commit to this year's holiday? We need to know numbers this evening so that we can progress the arrangements on accomodation etc. Looking ahead to next month (Feb) it will be our AGM and 20<sup>th</sup> birthday. Should we mark the occasion? Incidentally, there are no founder members remaining, but Dave A. Simon and I all joined the LDMGOC in the first 6 months and are still attending regularly. Ain't we sad!

## Last Month's Events

There were no car based events last month, but our social events made up for that. Our Christmas Dinner, held here at the Cross Keys, went well aand I hope was enjoyed by all. The Pub Night was especially well attended for December. The change of venue away from the Warden seems to have worked. Thank you Angie for suggesting The Green Man. It's a nice venue which I am sure we will use again Finally, Grahamm

and Sheila held an "Open House" on Bank Holiday Tuesday and looked after us very well (as they always do). Thank you both for a pleasant end to the Christmas week-end.
