CLASSICS ON THE COMMON TOMORROW, WEDNESDAY - JULY 4th.

Hello All,

I am sure everyone would join me in wishing John and Mary good luck with their move to Ireland. They will both very much be missed as their enthusiasm and support for the club has really been appreciated. We all particularly enjoyed their farewell barbecue and I'm sure that some of us will be able to take them up on their kind offer of visiting them at their new home if the opportunities arise.

Is there enough interest for a club stand at Knebworth? If so, I will require £2 booking fee from those interested.

The Jersey report and pictures have been added. Take a look – Bruce has done an excellent job.

LAST MONTH'S ROUND-UP

At a chilly **Gaydon**, Simon came second, again, in the concours – this time because he had not polished his foot-wells, tsk tsk... Better luck at Surrey and Harrogate!

At the **MGCC Silverstone** event, there was an excellent programme of racing and the register displays seemed as large as ever, especially the MGF register as the allocated area was not big enough to fit them all in. A major highlight was the presence of the new MG saloons and their Rallying counterparts plus the Le Mans MG Lola.

We also had another bumper turnout for the **pub night** at the Windmill in Charlton.

SEA-SIDE RUN

We were hoping to hold the sea-side run during July or August but both are now very busy. However, some of us will be in Eastbourne at the finish of the South Downs Run on September 2nd. How about seeing us there as we complete the run? There's plenty there to see and do for the whole family.
