Hello All,

I now have 8 tickets for Classics on the Common. Please make sure you have yours before leaving this evening.

For those going on the club holiday to Yorkshire - Paul and Ann have kindly offered to host a get together to sort out details at their house on Saturday 9th July around 8:00.

Its time to decide on a venue for our Christmas bash. Any thoughts?

Last Month's Events

Two great social events of last month were Simon & Tracy's nuptials which featured a great display of classic cars and concluded with a fly pass. The next day, our youngest member, Luke, invited us to his baptism.

On more traditional events, 8 of us went to the ACE Café for a classic car evening. A large variety of cars were on display including a Lotus 6, many 7s a 5 litre Ford Anglia, a number of MGs, Hillman Imps and a solid tyre fire engine. Probably a hundred cars in all. Well worth another visit sometime.

The Pub evening at The Fox in Pirton was not particularly well attended.

There were no takers for the Open day at Houghton Conquest. Last week-end John and Linda attended the Goodwood festival of Speed and were well impressed by the event
