Hello All,

### Classic on the Common 2004.

Tickets are being sent out today for those who have already applied and as a bonus you will get a rally plaque on arrival. Anyone who wants to go but has not applied yet - do it soon or you will be too late. Parking for other vehicles will be available adjacent to the display venue, so all is not lost for the wealthy ones with modern cars.

**French Trip** Glyn and Lynda have kindly agreed to host a planning evening for those going on this year's club holiday. This will be at 7:00 pm on 19<sup>th</sup> June. Please confirm to Lynda that you intend to be there.

### **Last Month's Events**

May kicked off with the Chiltern Preservation Group's annual meeting at Aston Clinton. It was a burning hot afternoon and there was the usual wide variety of vehicles and stationary engines on display. All this together with the customary LDMGOC picnic made for a great day out.

The pub night was held at the Criketers in Icklesford. This coincided with a local's 60<sup>th</sup> birthday celebration. Fortunately for us, they had over-catered so

fre food was available for most of the evening. Graham, who suggested the venue, came along

but didn't drink with us (no MG you know!)

Only Simon and Tracy went to the national event at Brands Hatch. They think it was a good event but slept through most of it.

Last week-end was the National A30 club event at Leighton Buzzard. A very good event included lots of "Guest Vehicles". A good afternoon, not-so-good weather, good beer tent.
