Hi,

The Epping MGOC are off to the Chateau on 6th September - there are 29 going! They would like to meet up with us either on a Saturday or Sunday before they go to find out more about the chateau, the area, things to do etc. They are happy to come to us or meet halfway - whatever suits us they said - I thought if we are short on available days may be suggest the car show at Barton Watermill (Sunday 17th August)?

Run to Stamford on 20th July - shall we book a table somewhere on the way home to have a bite to eat?

I read with some interest, in the press recently, an interview with Geri Halliwell - when asked "What's been your most extravagant purchase?" She replied: a 1976 MGB roadster. Did we realise MGs were extravagant purchases? And, how cool are we having the same car as a Spice Girl?!
