Hello All,

Thanks to everyone who came last month and gave us a successful AGM. Its been a bad month for a couple of our cars. Glyn tried to change the starter motor on his V8 and discovered more than he bargained for. My GT was trailered home last Friday with a transmission failure. Oh! The joys of MG ownership.

Going Dutch. Travel and accomodation are now arranged and I am in the process of trying to organise a meet with some Dutch enthusiasts. **Agenda** Wed 2nd July catch the 10:40 High Speed ferry from Harwich to the Hook of Holland, arriving 15:00 local time. We are booked in at the Tulip Inn in Medemblik until Saturday morning when we transfer to Mercure Hotel in Lelystad for the remainder of the tour. Return trip is booked for Wed 9th on 16:00 ferry landing at 18:30 UK time.

LAST MONTH'S ROUND-UP

A small group of us motored up to Stoneleigh on 16th when I bought an oil filter and Carol bought a hat! The Malt Shovel didn't want our money (I really should booked in advance) so carol and Dave returned to Stoneleigh for the aforementioned headgear while the rest of searched for food,

eventually finding an obliging hostelry in Kennilsworth. After a visit to the castle where we discussed the sex life of Good Queen Bess, we returned home at a good pace.

The Pub Night at the Jolly Coopers on 18th conflicted with a football match and was poorly attended.
