Hello All,

Included with this month's news letter, is an events supplement. I have taken this from the MGOC website and hope it will provide a basis for this year's calendar. Please read it and give me your feedback on what appeals to you so that events can be added to, or replace, our normal events. At the AGM, it was suggested that we might do more runs with other clubs (or national runs?) and there are a number in the supplement which we could undertake. Please let me have your thoughts. I might supply a questionnaire next month to help consolidate ideas.

## Last Month's Events

Only 6 managed the run to Stoneleigh this year. A later start time from Luton meant the first call was to the Malt Shovel for lunch, then on to Stoneliegh for the spares sale. Did anyone actually buy anything? Was it as good as previous years? How about the marshalling?

Pub Night at the Plume of Feathers was well attended with 11 of us on parade. We completed the AGM by awarding Glyn his

trophy, which I know he will cherish.
