Meetings at The George Hotel, Silsoe  
1<sup>st</sup> Tuesday Monthly, 8.30 p.m.

Hello All,

As promised at the last meeting, I made enquiries about the South Downs Run in September and have been sent booking forms. Please take one tonight if interested.

Also note that the Kimber Run has been rescheduled for September 9<sup>th</sup>.

## CLUB REGALIA

All being well, I should have received our order by this meeting.

## QUESTIONNAIRE

I have still only received six completed questionnaires. I propose to publish the results in the next newsletter so if you haven't got around to completing it yet, please do so a.s.a.p. so that I can include your views and opinions.

## CLUB HOLIDAY JERSEY SPRING RALLY

In less than 24 hours from now many of us will be on our way to Weymouth. Yes, it has come around quickly. Will it rain? Answers on a soggy postcard...

Also note that the max speed limit on Jersey is 40 mph – some lanes are 20 or even 15 mph and the police are very mobile with their radar guns.

## CLUB WEB SITE

Bruce has made further progress with the web site – it's really starting to take shape.

## LAST MONTH'S ROUND-UP

The last quiet month before the season of events gets into full swing. Yet more rain, however, as we made the short journey to Barton for the pub meeting.
