Hello All,

Congratulations to Ann on acquiring a new MG ZR. Don't let your spark plugs get fouled Ann. Did anyone see last Wednesday's "Dream Machine" on Channel 5? A ½ hour program on an MGB rebuild with the car given away afterwards. It also featured a 1.5 litre VA.

**Going Dutch.** For those who are going on this year's trip, I have a list of "Must Dos" and "Might Dos". I suggest we have a meeting to agree some sort of Itinerary.

#### LAST MONTH'S ROUND-UP

Simon and Tracy went to Brooklands for the MG day. Six of us turned out for the Pub Night. Congratulations to Glyn & Lynda's daughter, Lisa, on her nuptials last week-end.
