Hello All,

Thank you to all of you who have replied to my events list questionnaire. Shame on those of you who haven't! Please help me to get it right for you.

Remember those offers of help to get Bruce's GT on the road? He intends to be here tonight. Let's help him get mobile in a real car.

Our French trip is only two months away. Do we need any extra planning on this? We could have a social meeting to finalise arrangements if you think it would be of any benefit.

Finally, what is the interest in the Sporting Bears event this year? This event is the day after we return from France!!!

**Reminder.** Classics on the Common (July 28<sup>th</sup>) This year only pre-booked cars more than 20 years old will be allowed to park on the common

We maintained our tradition on April's Pub Night by choosing a pub that was closed. However, after some frantic telephoning, we managed to get everyone to the same location - The Star at Peter's Green. I hope we

managed to contact everyone who went and none were left outside an empty pub. The big event of April (for 1 of us at least)! Simon reached the grand old age of 40.

## Last Month's Events

We had a short but pleasant run round Ashridge, on Easter Monday. Thank you Simon for organising it. As you can see from the photograph above, we found time for our favourite occupation.

**The next meeting is on
