Hi,

I'm pleased to report that Geoff and Rod are getting better.

I hear the pub night at The Chequers was well attended and the grey matter was put to the test ...

Some news from Headquarters ... next April, at the request of Prince Philip, there's going to be a MG event at Windsor Castle that we might like to be involved in. More on that this evening.

I've contacted Autoglym suggesting a demonstration evening at the June or July meeting and am awaiting to hear back from them.

If you've not already done so, please email me a photo and write up on your car for the LDMGOC website. Or alternatively I can take the photo and you provide me with the write up.

It's not too late to join us in the Isle of Man. Details below.
