Hi,

Windsor - we were blessed with a nice day for HRH The Duke of Edinburgh to be able to greet the Baroness and myself!!! Thank you to those of you who bowed and curtsied on our arrival at the Castle! It was a very memorable experience, not only to be involved in, but also to see so many very rare MGs. We rounded the day off with a very enjoyable dinner and birthday cake. Many thanks to all - a birthday to remember.

Bressingham - what time shall we meet? And where? A booking has been made for dinner at the John Barleycorn, Duxford at 7pm.

Luton Festival of Transport - I've received the passes which I will distribute this evening. If you've now decided not to go please give pass back to me ASAP. I've contacted the organisers and they will reserve a pitch for us. Commemorative plaques will be available in exchange for your pass on the day from 4pm from rally control. Access to the ground is via Farley Hill from 9am-12noon. There is no vehicular access via Stockwood

Discovery Centre or the Golf Club.

If you've not already received info on the Walled Garden event at Luton Hoo on 1st July, let me know.

If anyone is interested in the South Downs 20th Anniversary Run on Sunday 6th September let me know as I have details.

I've been contacted by the organisers of the Woburn Oyster Festival to see if we are interested in having a club stand again at this year's Festival which is taking place on Saturday 12th and Sunday 13th September. Is this something we are interested in doing again? If so, which is the preferred date?

Members' 65th birthday celebration - any further thoughts on how to celebrate?

Holiday to Cognac - One double room available if anyone is interested. Accommodation balance to be paid (as detailed in Tracy's letter to you of 3rd October) **on or before 9 May 2009.** Sally, our host at Cognac, will be happy to phone you to take payment after 6pm UK time if you prefer - please

let Tracy have your telephone number.
