Hello All,
Congratulations to Ann & Paul on the birth of their son Luke. Mum and baby are both doing well. I haven't made any progress on next year's holiday as yet, but the West Yorkshire branch is on the case. The Harrogate event will be on the week-end of 6th and 7th August and will be held at Newby Hall. Do we want to spend the whole week near to the event or be nearer the Moors/Dales/coast? Please discuss.

We currently have 22 confirmed and 4 possibles for our xmas dinner. I must finalise numbers and menu selections this week.

Tracy has looked at firework displays for this week-end. The Leaside Hotel is having a display on Friday. Entry fee is £3 and a BBQ will be available (not included in the entry fee). The Luton Town display is on the Saturday evening - entry free (I believe).

No other specific events lined up for this month. How about an autumn outing for the cars? There are two possibilities - Simon has outlined two runs for the A30 club, which we could combine for our own purposes or there is a Mid Beds Council itinerary, taking in points of local interest. Paul has further details of this. Secondly, how about a Sunday lunch outing (possibly combined with one of these runs)?

Last Month's Events

There were no events last month, other than the pub meeting at The French Horn. Six of us spent a pleasant hour or two putting the World to rights.

Three events were suggested for the month, but without any takers. However, Dave, Glyn and I are booked in for a MG Focus Day at Abingdon next Saturday. I'll report back on that at the next meeting.
