Hello All,

At the end of last month's meeting, I booked our Christmas Dinner, here at the Cross Keys. It will be held on Tuesday 14<sup>th</sup> December and cost around £14 per head. The menu should be available today. If you return your menu choices to me, I'll maintain a list, as in previous years.

We are now into the last quarter of the year and are no nearer agreeing next year's holiday. I believe that a suggestion for a UK holiday was made at last month's meeting. Is this a preferred option? Let's try to nail this one down and get some arrangements under way.

### Last Month's Events

After a very busy, almost hectic August, September was a quiet month for the club. On Friday 17<sup>th</sup>, John, Mary, Hilary and I went to Totternhoe for their latest production and thoroughly enjoyed it. Apparently the Saturday evening did not go quite as well, proving that LDMGOC is an essential ingredient for a good time. Sunday, 19<sup>th</sup> was Simon's A35 event. Oh dear, another senior moment, I missed it altogether. Did anyone else go?

Pub night was at the Musgrove Arms in Shillington, with a good

attendance, although some made several laps of the village before finding it.

John and Mary's house warming BBQ was a great success. Thanks to John ingenuity an autumnal September evening was transformed into a balmy spring-like event. Incidentally, it's a lovely house.

There were several events on Sunday 26<sup>th</sup>. John and Mary headed west for the Brecon Beacons run, while John and Linda headed south for "Totally MG" at Kempton Park, intent on buying enough spares to keep them busy through the winter months. How did you all get on?
