LAST MONTH'S ROUND-UP

The first event of the month was a very wet Northern National, at Harrogate attended by Glyn & Lynda, Dave & Steph and Simon & Tracy. Simon walked away with first prize in the condition category of the concours.

The next week-end was the Pasque Day at the Barton Water Mill. Ten of us attended and enjoyed a leisurely day of high inactivity.

This month, the French Horn was open and we were joined by John and Mary visiting us from Ireland. John is now based back in the UK, so we shall see a lot more of him.

The big event of the month was the club BBQ held at Glyn & Lynda's on Bank Holiday Saturday. More than 20 attended and enjoyed the warm evening with plenty of food and drink, through til Midnight. Thank you Lynda for your hospitality.

There was no Jaguar Day this year and we did not attend Knebworth or the Chigwell events.
