Hello All,

I believe the annual seaside run was a little damp this year I Rain and MGs seem a bit of a theme this year! Not deterred by the weather and with a 100% turn out of MGs the run commenced and all was going well until a loo stop was needed when a number of different detours were taken. The MGs finally regrouped at Haighbridge Basin and decided it was too wet for a picnic so a pub lunch ensued. Followed by a trip on the canal. Then on to Malden for a look before turning home - unfortunately Malden was a lake so no-one ventured out of the cars. The day was rounded off by a BYO picnic at Geoff and Hilary's. As always no matter what, a great day out was had by all.

Another damp start for Barton Watermill classic car day. Again another good turn out of MGs although not as many cars overall at the show as in previous years. The usual fun ensued putting up the marquee, lavish picnics and a photo shoot!
