The **MG CAR CLUB, LINCOLNSHIRE CENTRE** 's entry for the  
**BELCHFORD DOWNHILL CHALLENGE**  
on **Sunday 16th September 2007**

The build of the MG Car Club Lincolnshire Centre Belchford Downhill Challenge entry is now progressing well and at the rolling chassis stage.

The front axle is installed and awaiting steering wheel and column and the rear axle is ready for the brakes to be fitted. It runs on four BMX wheels with the rears fitted rigidly to the axle. The temporary floor pan shown in the pictures is timber but the final item will be an aluminium sheet.
