MGB REGISTER FOCUS DAY

This month we're featuring the MGB Register Focus Day, which will be held in November when not too much else is happening in the Events calendar!

As in previous years, we will be holding the event at the Abingdon and Witney College in Wootton Road, Abingdon and the date for your diaries is Saturday 18th November

For those of you who have not been along to one of the previous Focus Days, the format is broken up into various areas covering different aspects of the MGB, presented by guest speakers, some of whom worked at MG and BL in technical or training roles. A lot of information is covered in an informal and interesting workshop and you can be sure you will learn something new.

This year we will be looking at the basics of preparing your car for light competition, track day or fast road use and this will include engine tuning, suspension and handling improvements and getting the best out of the car without vast expense.

Once again, we are lucky to have Danny Waters and Dave Cato presenting and this year they will be joined by Gerry Brown. Gerry has forty years experience of MGs and has raced, rallied and rebuilt them. He was a founder member of Brown and Gammons and now runs Merton Motorsport, specialising in historic cars and, in particular the MG models.

Those of you who have been before will know how good the speakers are, but as usual, there will be plenty of opportunity to contribute and share experiences, which invariably results in some lively debates!

The day is limited to 50 places and is on a first come-first served basis.

To book your place please send a cheque for £12 made payable to the MG Car Club - MGB Register together with a Stamped Self-Addressed Envelope to:

Janine Pratt

38 St Birstan Gardens

Andover

Hants

SPI0 4NY

You will then receive confirmation of your place and details of the day's arrangements.

Finally in last months column John published an e-mail address for our Chairman Bernard Rengger This was incorrect so please update your records to renggerbj@btinternet.com
