

MGB REGISTER PRACTICAL MAINTENANCE DAY

Saturday 24th October
Bicester Motorsport Centre

This popular event will be featuring tips from “Barries Notes” on maintaining the MGB. Our other session during the day will feature PJM Motors who will be demonstrating techniques on trimming the interior of an MGB. The day will start at 09:30, with two sessions. Prior to the afternoon sessions, with the support of BOC, participants will be shown some basic welding skills.. Cost is £12 per person.
