

MGB REGISTER SPRING RUN

SUNDAY 18th APRIL 2010

Organised by the MGB Register of the MGCC.

ALL MODELS of MG's WELCOME.

This year's event will start at the **Milletts Farm Frilford** Oxfordshire www.millettsfarmcentre.com We have planned a route through Oxfordshire, Hampshire and Wiltshire finishing in Gloucestershire at **Westonbirt Arboretum**, which is near Tetbury. <http://www.forestry.gov.uk/westonbirt> The run will cover approximately 75 miles using mainly B class and unclassified roads.

Entrants will receive the route book containing Tulip diagrams along with a rally plate and two entry tickets for the grounds of Westonbirt.

The Westonbirt tree collection was started around 1829 and many of the specimens date back to that time. The site covers an area of 600 acres and includes areas of ancient semi natural woodland, specimen plants and open grassland. Today Westonbirt is a Grade One listed landscape. The Holford family, who started the collection, planted in a picturesque style following the guidelines laid down by W.S.Gilpin a noted landscape designer. His aim was to ensure that the landscape provided interesting walks, which enables visitors to explore the collection. These paths are still available for you today. The new Maple plantings will, in time, create the world's best collection of Maples and is in keeping with this tradition. One of the roles of an arboretum is to enthuse people about the importance of trees to our lives and also help explain the importance of conservation and understand the threats and pressures that a lot of the world's trees are under.

There is an impressive gift showroom and super restaurant, which serves light lunches, cream teas and homemade cakes available throughout the day.

ENTRY TO THE EVENT

Discount for members of the MGCC

£21.00 per car

£2.00 per car

Closing date for entries 3rd April 2010, maximum entry 100 cars so please book early to avoid disappointment.
