"Relive Roy Locock's epic
39,000 mile Around the
World journey in Bridget,
his 1977 MG Midget!"

What's It All About?

MG Car Club member Roy Locock successfully completed a 39,000 mile Around the World trip in his MG Midget, affectionately named Bridget. Happy-go-lucky Roy survived earthquakes, waded through floods in Australia and dodged Taliban bullets in Pakistan. Now Roy is taking Bridget on the road, this time on a UK tour, and he's coming to your local MG Car Club centre! The Oxfordshire based enthusiast has condensed his 18 month journey into a rip-roaring two hour presentation! Don't miss it!
