Dear Member,

Welcome to your Z and Farina Register calendar of events for 2009.

There is a good range of meetings with thought given to location and attractions. Above all these events are a chance to meet other Mquette owners to exchange news, ideas, tips and information.

We hope you will be able to attend some of the meetings, after all, it's the reason to organise our participation.

The committee would welcome ideas for future events. Do you have suggestions for where to meet up with other relevant groups or just places and events of interest that would attract fellow members?

If you feel you would like to contribute to the register please also let us know. You don't have to become a full committee member to help. If you have some skill, time or just lots of enthusiasm to help out your input will be much appreciated.

So, please read on and start marking up your diary. We are looking forward to seeing you in 2009
