

Dear Gunter,

I hope you are well,

I have spoken to Alan Slack today about an offer I would like to give to all magnette/farina and wolsley register owners going to the -Magnettes and steam event at Highley on Easter weekend.

Can you check out the following website -[www.wroxall.com](http://www.wroxall.com) - I have just realised how close it is to highley steam event approx only 35 miles.

Although I live in Suffolk, "Wroxall" is a historic grade1/2 Abbey and Mansion Hotel and country estate with its own christopher wren church in the 29 acre grounds, In 2004 my hotel development business partner and I completeley developed and restored it from a "derilict state" ,We opened it 4 years ago as a luxury hotel, and Iam a director /owner of it still..

I wondered if any of the magnetteers that weekend may be interested in staying there on friday or saturday if they are traveling from a long way and have not booked accomadation yet or if any of them wanted to stay in the area over easter-10/11th,it is also close to gaydon museum,coventry car museum and stratford etc.

Sadly we are not full this easter due to the recession and therefore I would like to give them very special discounted "MAGNETTEIFICENT" rates for bedroom only for £25.00 per person, bed and full english breakfast for £35.00 per person, and special 3 course dinner with live music,bed and full breakfast for £49.95 per person on either good friday or easter saturday or both ,all these special rates include free use of the indoor pool and spa,and the rates include the vat tax.the offers are for all magnette/farina/wolsley owners.

Is it possible you could post this on the site under" news" and also under events as a special magnetteers offer by -the magnettes and steam info.

You can give them the hotel website address to look at the site-[www.wroxall.com](http://www.wroxall.com)-it has a map,and lots of history about our hotel and the fantastic bedrooms bar restaurant, indoor pool,and gardens and grounds etc .

For booking the rooms at the special rates I would suggest they contact me direct by e.mail and I will make the"magnetteificent" bookings for them at the special rates I have listed..

Many thanks

Regards,Grant.
