*Dear Member,*

*Welcome to your  
Magnette, Z and  
Farina, Register  
calendar of events for  
2010.*

*Again, a good range of  
meetings with a chance to meet, browse, chat and  
enjoy the events. Magnette owners can exchange  
news, ideas, tips and information.*

*The committee always  
welcome suggestions  
for future events. Do  
you have ideas for  
where to meet up  
with other relevant  
groups, places and  
events of interest that  
would attract fellow members?*

*If you feel you would like to contribute to the  
register please also let us know. You don't have to  
become a full committee member to help. If you  
have some skill, time or just lots of enthusiasm to  
help out your input will be much appreciated.*

*Don't forget, even if you can only  
attend some of an event you will  
be given a warm  
welcome by enthusiasts  
with a common love of  
a very uncommon car.*

*So, please read on and  
start marking up your diary.  
We are looking forward to seeing you in 2010*
