

Magnetite Day June 22th-24th 2012

Dear Magnetiteers, we cordially invite you to the 16th Magnetite Day 2012 in
Northern Hussia!

This year we will meet at the Meißner, the highest mountain of Northern Hussia (752 m). It is the home of Mother Hulda, there are lots of sagas and myths and it is a great area of a mining industry since the middle ages. Our accommodation will be the NaturFreunde Meißnerhaus, there are single, double and family rooms available.

Arrival will be on Friday afternoon and in the evening there will be a very special surprise for you.

After a healthy breakfast we will discover the Meißner region and the valley of the river Werra. In the evening we will celebrate our famous BBQ and afterwards the Sing-a-song.

On Sunday we will visit Kassel, where you will have the opportunity to drive a part of the oldest surviving racetrack in Germany, the Herkules Bergring in the Bergpark Wilhelmshöhe, and after a light lunch we will have to say Good bye. .

Those who are interested in contemporary art may visit the 13th documenta with exhibitions all over the city of Kassel.

The entrance fee includes the B&B for two days, the evening meals, tea and coffee friday and saturday and a lunch. The drinks in the evening will be paid individually.

We are looking forward seeing you in Northern Hussia!
