

Bruce Wyckoff, Service Coordinator
North American MGB Register
10975 Aspen Trail
Zeeland, MI 49464-7900

Every year, the North American MGB Register prints a list of service shops, recommended to us by our members. This service provides help to members having MG trouble away from home, or just some needed octagonal support. If you know of a good service shop in your area, please let us know. The larger our database of reputable shops, the more helpful this list will be.
