The Twin Bay British Car Club of Traverse City, MI announces its 2013 Alden Classic Sports Car Show. To be held for the 14th year in the picturesque Antrim County village of Alden, 25 miles ne of Traverse City, Michigan, the show features sports cars from all over the world - just sports cars.

The events begin on Saturday, August 10th, with a tour around the hills and lakes of northwestern lower Michigan, then a picnic dinner on the shore of Torch Lake. New this year is a Big Band that will perform in the early evening for our dancing and listening pleasure.

Sunday is the show, and any and all two-seat sports cars are welcome - Germany, Italy, Japan, Great Britain, and the USA among other countries are represented. The feature marque this year is the MG motor car, celebrating 90 years of British automobiles. Judging will take place in all categories.

New this year is Valve Cover Racing. We have been challenged by the New England 'T' Register's Michigan chapter to race, and invite all to enter a race car, with the event to run from 12:30 - 2:30pm, just before awards are presented.

Attached is information about the show, a registration form, and rules for the valve cover racing. We encourage you to publish or copy the forms as needed.

Thanks for your interest! We had over 100 sports cars representing 22 marques last year, and look forward to a bigger and better show this year!
